

The Yearbook Still Needs YOUR Photos!

Remember to upload your class candid photos to be considered for this year's yearbook. Photos may be uploaded through **February 28th** by using your grade's link below (5th grade separated by track).

Field trips, learning experiences, and class happenings all make for **great** candid photos! Group photos and close-ups look best.

Thank you SO much for your help!

We could still use candid photos for **ALL** grade levels, but are particularly in need of photos for:

- **3rd Grade**
- **5th Grade, Track 1**
- **5th Grade, Track 2**
- **Preschool**
- **ECS I**
- **ECS II**
